

ACRM congratulates & honors these poster award winners. All posters were reviewed through a structured process by the Poster Awards Committee to select the “best of the best.”

ACRM POSTER award-winners get published, get exposure, and receive star treatment at the ACRM Annual Conference — including some featured in GRAND ROUNDS. See the published abstracts of poster presentations at <http://bit.ly/PosterAbstracts16>. Plan now to submit for the 2017 ACRM Conference: ATLANTA. **Call for Proposals:** ACRM.org/2017.
